House of Representative “Dear Colleague letter”

The following “Dear Colleague” letter is circulating in the House of Representatives in support of RC&D. Call **your** Member of Congress or their staff and ask them to sign on this Dear Colleague which is being circulated by Reps. Collin Peterson (D-MN), Frank Lucas (R-OK), and Tim Holden (D-PA). And just a reminder - do not call the staff number listed below - ask your Member of Congress or their staff to call and sign on.

Dear Colleague letters are used to have Members of Congress indicate their support for an issue. Some Members of Congress may have already communicated their support for RC&D by writing the Agriculture Appropriations Subcommittee. If they have not – ask if they plan to write an individual letter of support for RC&D or to sign on this letter. A Senate “Dear Colleague” is still in the works. We will update you when we have a copy.
